

CF Education Day - November 13 2010
8:30 AM - 3:30 PM

We welcome all “CF’ers” and their families to our Cystic Fibrosis Education Day ! We also want to invite health care team members - doctors, nurses, respiratory therapists, physical therapists and dieticians. We will be offering CEU’s to them for their attendance.

The information available will be the most up-to-date, as our guest speakers will have just returned from the North American Cystic Fibrosis Conference. There will be special guests with their personal experiences shared with us. You don’t want to miss this! A panel will also bring new insight to CF and be available for your questions. Vendor displays will be available throughout the day for you to view and company representatives will be available to answer your questions, some with samples and all with great information. Lunch will be provided for all attendees .-there will also be orange juice, coffee, & donuts to start the day .

The location has easy access with plenty of free parking. It is the Family Life Center (FLC) of the South Conway Methodist Church, located at 3401 S Conway Road in Orlando, Florida. The Family Life Center is at the rear of the church. Call Beverley Donelson at 407-898-4427 or toll-free at 1-888-307-4427 to register or for directions. Early registration is suggested as we will need a fairly accurate count for the lunch crowd. However, all are welcome. Lunch will be provided **at no charge**.

Please call Beverley if you know that you have MRSA or “B” cepacia We must be very careful about cross infection & follow all infection controls.

If you have any other questions, please call the telephone numbers listed above. If you prefer to mail in your Registration, just complete the form below and mail it to Beverley Donelson , 3901 East Colonial Drive, Orlando FL 32803. You may also email to bevvd@hhcs.com. Hope to see you there!
